COMMENTS/MESSAGE:

RE: NIOSH. Based upon the recent NIOSH Conference, Smoking in the Workplace, it seems clear that the agency is actively looking at smoking related regulatory issues. In this context, at Matt's request, we are forwarding information on a NIOSH risk assessment conference for consideration by the Company in the event you had not received this information from other sources. For ease of reference, a report on our administrative law monitoring of the NIOSH June conference is enclosed.

Best regards,

Leo Dreyer
